Hungerford is in the Heart of the North Wessex Downs within an AONB and surrounded by the Common and Freemans Marsh with natural boundaries from the River Dunn and Kennet, the Kennet & Avon Canal and railway line.

The Town's desire is to play a leading role in ensuring Hungerford continues to be a thriving, sustainable community which fulfils the needs and aspirations of all its residents through the next 20 years.

We would not wish to pre-empt the NP process as a set of aims and objectives will be established which would be expected to cover environmental, housing, transport, leisure and social issues.

Independent shops, the town's history, the High St and community facilities are highly valued, and we wish to the people of Hungerford to have the chance to influence the future of the town, building on the Town Plan policies and creating new ones.

We have had a good turnout to our Neighbourhood Plan meetings and have a steering group ready to proceed with developing a NP
