Present: Cllrs Fyfe, Cole, Mulholland, Hall, Keates, Terry, Day, Brunning and Edginton

Also in attendance: Town Clerk (TC) and Cllr Reed

The minutes are recorded in the order agenda items were discussed.

EP2026066 Apologies for absence – Cllrs Hudson, Carlson and Armstrong, and District Cllr Gaines

EP2026067 Declarations of interest - none

EP2026068 Approval of Minutes held on Monday 13th July 2026 and update on actions:

Proposed: Cllr Hall

Seconded: Cllr Mulholland

Resolution: Minutes agreed as a true representation of the meeting held on 13th July 2026.

ACTION: Add a note to item at top of page three, that consultation is not a requirement.

UPDATE ON ACTIONS:

Blue Plaques, and Chestnut Walk are on the agenda so will be discussed under their relevant agenda items. The defib action has been completed.

7 dwellings at Station Yard - Cllr Fyfe advised that it is now 37 days with no response to his request for information. Perhaps a freedom of information request is needed as there is a requirement to respond. The SUDs condition is in the process of being resubmitted for the fifth time. Cllr Fyfe will be meeting with Laura Callan at West Berks Council (WBC) who is investigating the case. We wish to know if the properties are connected to Thames Water, where is the trench for the pipework or is there a bore hole.

Note: The action on the Enterprise Centre from the previous minutes was not discussed.

EP2026069 Co-opt Cllr Edginton to Environment & Planning Committee

Proposed: Cllr Keates

Seconded: Cllr Terry

Resolution: Co-opt Cllr Edginton to the Environment and Planning Committee

EP2026070 Any Health & Safety issues or concerns – Cllr Fyfe raised the state of the canal tow path as an issue due to the amount of litter and dog excrement being dumped. The clerk has written to Canal & River Trust (C&RT) about the boats staying longer than they should. It is important all fly tipping is reported, and we should look for any names/addresses on the rubbish to identify who is responsible. The canal tow path is a public right of way.

ACTION: Write to Kofi at WBC to report the fly tipping and put in place an escalation process. Also write to C&RT. Forward them both photos of the evidence. Highlight the problem on social media.

EP2026071 Blue plaques, progress with application and decision on style and font

Listed Building Consent is being progressed. Cllr Brunning had prepared mock-ups of proposed plaque styles and fonts for consideration. The blue plaques are 48.26cm in diameter.

Proposed: Cllr Keates

Seconded: Cllr Hall

Resolution: Agree to use Open Sans font as it is easiest to read, with the HTC logo in colour at the top on die cast metal as cheaper. Any marketing text should be removed.

EP2026072 Hungerford Railway Station Car Park/Suds 26/01381/COND/Suds was not discussed.

EP2026073 Chestnut Walk update –

West Berkshire Council's proposal is to bring the former Chestnut Walk Care Home back into use as temporary supported accommodation. The proposal includes the refurbishment of the existing building to provide short-term accommodation for households experiencing homelessness, those at risk of homelessness, and people fleeing domestic abuse. As this proposal could have a significant impact on the local community, residents are encouraged to take the opportunity to review the plans and submit their views.

EP2026074 Review status of Aldi application - West Berkshire Council has confirmed that the Aldi planning application has been withdrawn due to differences between requirements of its Highways department and the developers plans. However, they are confident that a revised application will be resubmitted. Hungerford Town Council supported the application and remains keen to see the development progress. We would also like to reassure residents that our request for a pedestrian crossing was **not** the reason the application was withdrawn
